There are, to be sure, a number of the Universal that plan, fivere is no doubt. It is probable that we shall know in a day time out. If this be so let me ask of you that in writing home to mother you will not complain or show the least discatisfaction, as, you have no idea how it worries her, Always write as cheerfully as you there invades. There are, to be sure, a number of the Universal traction in the facilities furnished by the correctly stated, it may not be improper to show the least discatisfaction, as, you have no idea how it worries her, Always write as cheerfully as you that in time out. If this be so let me ask of you that in writing home to mother you will not complain or show the least discatisfaction, as, you have no idea how it worries her, Always write as cheerfully as you that in time out. If this probable that we shall know in a day to the extent and character of the Universal to when they are about. Northis is to the extent and character of the Universal traction doubt. It is probable that we shall know in a day to the extent and character of the Universal traction doubt. It is probable that we shall know in a day to the extent and character of the Universal traction doubt. It is probable that we shall know in a day to the extent and character of the Universal traction doubt. It is probable that we shall know in a day to the extent and character of the Universal traction doubt. It is probable that we shall know in a day to the extent and character of the Universal traction doubt. It is probable that we shall know in a day to the exte "Yankee invaders." There are, to be sure, a num-ber of persons, on the one hand that in spite of the two gurbonia that have been constructing there are olina, Georgia, and Florida. General Sherman with every dear here new—and no money scurcely in also. We congratulate the country on having also were supposed to constant the country of many months, have cherished an unqualified, uncompromising attachment to the bellion forges its most formidable instruments of the congratulate the country on having also. We congratulate the country on having also were supposed to constant the congratulate the country on having also were supposed to constant the congratulate the country on having also were supposed to constant the congratulate the country on having also were supposed to constant the congratulate the congratulate the country on having also were supposed to constant the congratulate to the congratulate the country on having also were supposed to constant the congratulate to the congratulate the country on having also were supposed to constant the congratulate to come out on land. What few have tried it, but they are said to be 15, and the congratulate to come out on land. What few have tried it, but they come out to land the congratulate to the congratulate to come out on land. What few have tried it, but they can be constant to the congratulate to come out on land. What few have tried it, but they can be congratulated to come out on land. What few have tried it, but they can be congratulated to come out on land. What few have tried it, but they come out. The place is where they are said to be 15, and they come out to land the congratulate to come out on land. What few have tried it, and they come out to land the congratulated to come out on land. What is a congratulated to come out on land. What is a congratulated to come out on land. What is a congratulated to inght as deliverers from a most obnoxious yoke. But to our ability to contend with them, or, with a strong blow, take the place, and thus knock from under Re-

Rough weather delays the repairs on the telegraph There is no boat from the eastern shore to-day, and

onsequently no news from the election. The Congressional Committee on Naval Affairs and Assistant-Secretary of the Treasury came down from Washington this morning, and returned to-night, after inspecting the Monitor and other objects of

Wesneyers Monday, March 17, 1963. By telegraph from Cape Charles, this afternoon,

RISE IN BARREN RIVER. Louisville, Ky., Monday, March 17, 1982.
The rains of Friday night caused Burren River to

swell over its banks, and a portion of the bridge over f the foreign-born residents of Nashville toward the the river at Bowling Green was carried away.

The Ohio River is also rapidly rising.

CEDAR CREEK BRIDGE DESTROYED BY

THE REBELS.
Winensten, Va., Monday, March 17, 1862.
Contrabands confirm the report of the destruction Among the Germans especially the love for the Stars and Stripes remained ardent, notwithstanding the

PARSON BROWNLOW. PRILADELPHIA, Monday, March 17, 1982. The well-known publisher of Dr. Kane's works has offered Parson Brownlow \$10,000 for the copy-

COM. FOOTE SHELLING THE REBELS

Their Retreat Cut Off by Gen. Pope.

THE CAPTURE OF THE ISLAND

AND TRANSPORTS.

ANOTHER VICTORY IN ARKANSAS.

Three Rebel Colonels Captured.

Special Dispatch to The N. Y. Tifbune.
WASHINGTON, Monday, March 17, 1988.

The following dispatches have been received

Rebel Activity on the James River. The fleet were then in line of battle dropping slowly down and within two miles of the enemy. As latend No. 10 two mortar boats were in position, and four shots were fired. The gunbout Benton fired a From Our Special Correspondent.

FORTHERS MONROS, OLD POINT CONFORT.

March 16, 1802.

Fow shells to try her range. No reply came from the The United States steam transport Sawanee, from Rebels. Six Rebel gunboats were in sight. A large Hatterss, arrived this morning. She brings nothing body of troops appeared encamped on the mainland important, though when she left, intelligence from close to the head of the Island. The Commodore is the fleet and the army was momentarily expected. in good spirits, but the messenger did not expecte

CAIRO, March 17, 1962.

which it was expected would be reached by rifles at their upper battery. The mortars fired along Wednesday, and the contemplated blow struck by There is no special result. The Rebels are very Thursday or Friday at the furthest. Heavy firing strong, and it is bard for us to get at them. The up was heard in that direction Thursday evening. A per battery is about two miles above Island No. 14 reconnoissance had previously been made of the on the Kentucky shore. Gen. Pope's guns at New-quarter to be visited. These being past events, I Madrid command the river, preventing the passet of the Rebel gunboats and transports which are

things would indicate a more recent disaster. The when the flag-ship, being about twenty minutes Spaulding was at Hatterss. I have already referred to the activity apparent in stern-wheel steamer run out from the shelter .f the neighborhood of Sewall's Point. Yesterday point on the Kentucky shore, and steamed down the there was similar activity on James River, above river. Four shells were thrown after her, but the

They are said to be 15,000 to 20,000 strong. Robel gunboats are understood to be engaging

Four o'clock p. m .- The Rebels at Island No. 16 been counted.

Eight morters shelled the battery above the island to-day. The enemy left it several times, but returned They only fired with two guns. Our shells reached the island easily.

Gon. Pope has sent disputches to Com. Poote, says ing that his heavy guns command the river, so the neither steamboat nor gunboat of the enemy can Firing has been heard in the direction of New-

Mudrid all day. It is supposed that the Rebel gua-Seven Rebel transports near Island No. 10 and

hemmed in. The encampment of the enemy is visible, and to supposed to be large enough for 15,000 to 20,000

Carno, Monday, March. 17, 1862.

There is nothing later from Island No. 10 than elispatch to-day, which says that the accuracy of the firing by the mortars yesterday was fully equal to previous expectations. The mortar fleet threw 24 shells and the Benton 41. It is expected that one more of the enemy's works will be reduced to-der-

It is thought by some that the Rebels are mi across the neck of land from the island to Mern weather's landing on the Mississippi, only five miles, over a practicable road, and below Point. Pleasant where Gen. Pope has batteries, and that when they are embarked on the boats (the smoke of which was plainly seen vesterday at or near Merriwesther' landing from the gunboat Benton), we shall find the Rebel nest empty, and the river clear of Robels to

Randolph or Fort Pillow. Sr. Louis, Monday, March 17, 1959. In response to a serenade to-night, Gen. Hallech anyounced from the balcony of the Planter's House that Island Number Ten is Ours, with all the

He said also that another victory had been gained in Arkaneas, in which three Re'bel Colone's were captured.

The particulars have not transpired

Important Decision in Regard to

MILWAURER, Wis. Menday, March 17, 1888.
A decision of the Suprame Court of this State is relation to the assessment of taxes declares that at the State taxes levied since 1855 are unconstitutions by reason of the inequality of taxation. The logish
